

2017-2018 FBLA Arizona Membership Options and Pricing Guide

ALL PAYMENTS ARE TO BE MADE TO FBLA ARIZONA

Once an FBLA chapter has been established and has completed the necessary steps to be in good standing, the decision on which membership option to select should take place. There are two membership options from which to choose Total Program Affiliation Membership or Individual Affiliation Membership.

Option #1 – Total Program Affiliation Membership

The Total Program Affiliation Membership Option allows all students who are enrolled in a Business, Information Technology and/or Media Education Program to be eligible for the benefits and opportunities of FBLA.

Total Program Affiliation Membership Benefits

- Free tests for the FBLA Online Testing Tournament
- All students are eligible to participate in all state-sponsored FBLA Arizona activities
- All students will be eligible to participate in all nationally-sponsored FBLA Arizona activities
- Student recognition awards and scholarships
- Chapter recognition awards
- Quarterly newsletters from FBLA state and national organizations
- Chapter site visits from State Adviser, FBLA Arizona State Officers and/or Program Specialists
- Student membership cards
- Active website with resources and information that will enhance student involvement
- 10% off the total membership bill**

Pricing

The Total Program Affiliation Membership option pricing is based on the Business, Information Technology and/or Media program enrollment submitted during the previous school year. Enrollment numbers are determined by what your school submitted to the Arizona Department of Education/CTE Unit. The State Adviser will use the 100-day enrollment report to base pricing for the Total Program Affiliation Membership.

Example:

- 100-day enrollment from previous year = 67 students in BMAS
- 67 students x \$20 fee per student = \$1340 fee for Total Program Affiliation
- 10% off of total bill = \$1206 amount for which you will be invoiced

Invoices will be emailed to you from FBLA Arizona and all payments need to be mailed to the state office. Advisers may add a student to their roster at any time after the initial registration for \$20 per student.

Option #2 - Individual Affiliation Membership Option

A chapter may choose to register only some of its students enrolled in a Business, Information Technology and/or Media program. With this option, a minimum of 12 students plus one adviser must be registered, unless the program enrollment is less than 12 in which the chapter will be charged for only the number of students registered. If enrollment for the total program is more than 12 but a teacher leader decides to only register 10 students, the chapter will be charged the minimum of 12 students.

Individual Affiliation Membership Benefits

- All students are eligible to participate in all state-sponsored FBLA Arizona activities
- All students will be eligible to participate in all nationally-sponsored FBLA Arizona activities
- Student recognition awards and scholarships
- Chapter recognition awards
- Chapter site visits from State Adviser, FBLA Arizona State Officers and or Program Specialists
- Student membership cards
- Active website with resources and information that will enhance student involvement

Pricing

There is a 12-student minimum registration requirement for this option. Schools may add additional students to their original roster at any time after the initial registration for a fee of \$20 per student.

Example:

- 12 members on roster
- 12 students x \$20 each = \$240
