Life Smarts	
Virtual Business	<p>The FBLA Virtual Business Management Challenge encourages FBLA members to test their skills at managing either a bicycle manufacturing business or a blue jeans manufacturing business. Students will be limited as to which concepts they are able to control during each of the qualifying rounds. What participants control will include various combinations of the following concepts: recruiting/hiring/supervising employees, risk management, organizing floor layouts, bidding on orders and more. For each round, teams will be ranked based on their business' cumulative profit after running the simulation for six virtual months.</p> <p>The Virtual Business Personal Finance Challenge encourages FBLA members to test their financial literacy skills. Participating teams will be making personal finance decisions for a simulated person. The concepts students will be managing include opening bank accounts, paying bills, filing taxes, applying for jobs, enrolling in educational courses, paying for goods, applying for credit cards, determining schedules, budgeting, and more. For each round, teams will be ranked based their person's net worth after running the simulation for two virtual years.</p> <p>For more information and to compete, go online to: http://vbc.knowledgematters.com/fbla/</p>
